Hole & Other Sponsorships

The 12th annual golf tournament benefiting *STAR*, Stanardsville Area Revitalization, will be held **Monday, October 9 at Greene Hills Club.**

Your support, donations, and Hole or Team Sponsorship will help *STAR* in its on-going efforts to restore economic vitality to our historic county seat.

The *STAR* Shootout is especially significant this year as it celebrates the first year's implementation of a million-dollar Downtown Revitalization grant. That grant project will fund façade improvements on downtown buildings, apartment upgrades, and construction of a farmers' market and entertainment pavilion. The town is also beginning construction of new sidewalks on Main Street, extending the first streetscape improvements that make the downtown area more attractive, safer and pedestrian friendly.

We appreciate and look forward to whatever tax-deductible support you can offer to this worthy cause that benefits our entire community. *See back for more information on Sponsorship options and benefits.*
